## **MINUTE FOR MISSION**

### **Office of Vocation**

Supervised ministry education is an intentional learning experience that enables people preparing for ministry to deepen their pastoral identity, reflect theologically, and enhance their ministry skills. Mission & Service supports supervised ministry education by providing a grant to a supervised learning site—such as a congregation—for an eight-month placement. The Rev. Maya Braithwaite reflects on her time in supervised ministry at Bloor Street United Church in Toronto.
