

## Stewardship Second

*With our whole hearts we seek God and to live God's way. Justice and righteousness, being kind and generous, caring for neighbours and strangers—these are more important than all of our riches and possessions.*

### The Loaves and Fishes Interest Group The Big Lenten Sandwich Catch Update!

The Big Lenten Sandwich Catch is a fun way for the group to raise money for our many projects. **Our goal is to sell 200 sandwiches at \$2.50 each.**

*We are pleased to announce we are half way to our goal with one week remaining in our campaign.*

Reminder: as an incentive to reach this goal, our “**secret benefactor**” is back offering to match the number of sandwiches sold. Last year this generous offer put us over the top.

How do you participate?

When you come to the church you will find the pledge forms and envelopes pinned to the Loaves and Fishes display at the front of the church.

For those of you at home and can't make it to the church you too can participate.
